Instructions

1. Fold the Basic White cardstock on the score line to form the card base.
2. Attach the Peaceful Garden Designer Series Paper (Secret Sea with white branches) to the front of the card.
3. Use the Wink of Stella Brush to colour over the branches on the Designer Series Paper, adding a slight shimmer all over.
4. On the Stampin' Cut & Emboss Machine, die cut an arch from the small piece of Basic White cardstock using the third from the smallest arch die.

5. Stamp "with deepest sympathy" from the Peace of Earth stamp set on the die-cut arch with Secret Sea ink.
6. Place the die cut on the card so that the curved part of the arch is to the right and stamp at the curved end of the arch shape.
7. On the Stampin' Cut & Emboss Machine, die cut from the vellum:
 - a. One arch (4th from the smallest)
 - b. Two large branches from the Peace on Earth die set
8. Attach the white arch to the vellum arch.
9. Cut the vellum branches in half (only using the top half) and stick them together in an X sort of shape.
10. Attach the branches the white arch to the left of the greeting.
11. Tie a bow with some Linen Thread and stick it to the middle of the vellum branches.
12. Attach the vellum arch to the card front, approx. ½" from the bottom and so that the small straight edge of the white arch lines up with the folded edge of the card. Trim the excess vellum off.
13. Use three small white flowers from the Hues of Blue Flowers to embellish around the greeting.
