Instructions

1. Fold the Highland Heather cardstock on the score line to create the card base.
2. On the Stampin' Cut & Emboss Machine, emboss the 5" x 3 3/4" piece of Basic White using the Beautiful Pattern Embossing Folder.
3. Attach the embossed Basic White layer to the Basic Gray cardstock.
4. Attach the layers to the card base.

5. Making sure the 3" side of the Basic White card element piece is at the top, stamp the Flower Fair stamp on it with Tuxedo Black Memento ink.
6. Colour the flowers with Stampin' Blends:
 - a. Large flowers: Light & Dark Highland Heather
 - b. Small Flowers: Light Petal Pink
 - c. Flower Centres: Dark Lemon Lolly
 - d. Leaves: Light & Dark Granny Apple Green
7. Cut the flower piece into strips that measure $\frac{3}{4}$ " x $2\frac{3}{4}$ " (you should have four strips).
8. Attach the strips to the Vellum piece. TIP: glue the two outside pieces approx. $\frac{3}{8}$ " from each end of the Vellum, then centre the two middle strips between the outer ones.
9. Attach the Vellum/flower piece to the embossed Basic White card layer with Stampin' Dimensionals.
10. Stamp a greeting from the Banner Sayings set on the small strip of Basic White with Tuxedo Black Memento ink.
11. Use scissors to add a notch to either end of the strip.
12. Add some adhesive to the back of the greeting and attach the gray twine from the Baker's Twine Essentials in a bow shape to the back. Attach a couple of Stampin' Dimensionals over the twine and stick the greeting to the card front on the flower panel.
13. Add three Purple Fine Shimmer Gems to the front of the card (two near the greeting and one in the upper left area of the card).
