Instructions

1. Fold the Pretty Peacock cardstock on the score line to form the card base.
2. On the Stampin' Cut & Emboss Machine, emboss the Lost Lagoon cardstock with the Laisy Daisy 3D Embossing Folder.
3. Place the embossed cardstock in the Paper Trimmer with the top left and bottom left corners aligned in the cutting track to create two triangle pieces.
4. Separate the two embossed triangles and attach each one to the 5" x 3 ¾" piece of Basic White cardstock keeping the long side of the triangle facing inward.
5. Attach the completed Basic White mat to the front of the card base.

6. Attach the 3 ¾" x 2 ¾" piece of Floral in Bloom Designer Series Paper to the 4" x 3" piece of Pretty Peacock cardstock to create the centre layers panel.
7. Attach the layers to the centre of the card with Stampin' Dimensionals.
8. Stamp the greeting on a scrap piece of Pretty Peacock cardstock with VersaMark ink.
9. Sprinkle the stamped greeting with White Embossing Powder. Shake off the excess powder to save it. Heat the powder with the Heat Tool until smooth and shiny.
10. On the Stampin' Cut & Emboss Machine, cut out the greeting using the coordinating die from the Stylish Shapes Dies.
11. Wrap the Linen Thread into a figure 8 and attach it behind the greeting with Stampin' Dimensionals.
12. Add additional Stampin' Dimensionals if necessary to attach the greeting to the right-hand middle of the card.
13. Attach the 5" x 3 ¾" piece of Basic White cardstock to the inside of the card.
14. Add three Pearls of Beauty dots to the front of the card.
