Instructions

1. Fold the Basic White Thick cardstock on the score line to create the card base.
2. Attach the 5 ¼" x 4" piece of Designer Series Paper to the front of the card.
3. On the Stampin' Cut & Emboss Machine, die cut the arch from the 5 ¼" x 4" piece of Basic White cardstock using the Everyday Arches Dies.
4. Use the blending brush to apply Balmy Blue to the top of the arch and Crumb Cake to the bottom to resemble dirt and sky.
5. Stamp the "dirt" image on the arch at the bottom with Crumb Cake ink.
6. Stamp the greeting in the middle at the top of the arch with Garden Green ink.

7. Attach the arch piece to the Designer Series Paper on the front of the card.
8. Stamp the spade handle with Early Espresso ink on the Crumb Cake cardstock.
9. On the Stampin' Cut & Emboss Machine, cut out the following pieces:
 - The pot from the Cajun Craze cardstock
 - Two sets of leaves, one from Granny Apple Green and one from Lemon Lime Twist cardstock
 - The flowers from the Fresh Freesia cardstock
 - The spade from the Silver Foil
 - The handle from the stamped Crumb Cake cardstock
10. Use a blending brush and add some Cajun Craze ink to the pot.
11. Assemble the flowerpot by placing the leaves inside the pot, then adding the flowers to the leaves. Add the base to the pot.
12. Make a hole in the spade handle, thread the Linen Thread through it, and tie it in a knot.
13. Attach the space to the right of the pot with Stampin' Dimensionals.
14. Add several of the 2025 – 2027 In Colour Flat Pearls to the arch around the image.
