## Instructions

1. Fold the Basic White Thick cardstock on the score line to create the card base.
2. Position the larger piece of Two Tone cardstock on the card base (don't attach it) and figure out where the greeting will go.
3. Stamp the greeting with the Basic Black ink.
4. On the Stampin' Cut & Emboss Machine, emboss the smaller piece of Two-Tone cardstock with the Beautiful Pattern Embossing Folder with the darker side facing up.
5. You could take a small sanding block and sand the embossed cardstock a little to reveal the white core of the paper and to accentuate the embossed pattern.
6. Attach the embossed cardstock to the larger piece of Two-Tone cardstock with the light side facing up.

7. Wrap the black Baker's Twine several times around the layers and tie it in a bow on the front right-hand side.
8. Attach the layers to the front of the card above the stamped greeting.
9. Colour one floral design from Designer Series Paper with the Stampin' Blends markers.
10. Use scissors to cut around the coloured image.
11. Attach the cut-out image to the front left of the Pool Party layers and over top of the twine, with Stampin' Dimensionals.
12. Add some Wink of Stella to the water in the vase for a little sparkle.
13. Attach some white Pearlized Faceted Circles to the front of the card.
