Instructions

1. Fold the Pretty in Pink cardstock on the score line to form the card base.
2. On the Stampin' Cut & Emboss Machine, die cut the closed card base using the fifth largest Party Banner Die. Have the fold of your card at the top, leaving the top edge of the die off the card near the fold. You don't want to cut the fold off. You will cut the other three sides by making the sides a little narrower and the bottom into a banner.
3. On the Stampin' Cut & Emboss Machine, die cut the Secret Sea cardstock using the sixth largest Party Banner Die.
4. Attach the die-cut Secret Sea banner to the banner-shaped card front.
5. On the Stampin' Cut & Emboss Machine, cut out another banner from the 4 3/4" x 3 5/8" piece of Basic White cardstock using the seventh largest Party Banner Die.
6. Add the Basic White banner to the Secret Sea banner.

7. On the Stampin' Cut & Emboss Machine, cut out the linked circles shape from the 3 ¾" x 2 ½" piece of Designer Series Paper using the die from the Lovely Arrangement Dies.
8. Attach the die-cut linked circle to the Basic White in the centre of the card front.
9. On the 4" x 4" piece of Basic White stamp:
 - two leaves with Old Olive ink
 - two flowers with Secret Sea ink
 - the greeting with Secret Sea ink
10. On the Stampin' Cut & Emboss Machine, cut out the stamped flowers, leaves, and greeting using the coordinating dies from the Lovely Arrangements Dies.
11. Colour the flowers lightly with the Petal Pink Stampin' Blends markers.
12. Attach the one set of leaves and flowers to the top left of the lined circle dies, and the other set to the bottom right of the linked circle dies. Attach the flowers with Stampin' Dimensionals.
13. Use scissors or the Paper Trimmer to cut around the greeting.
14. Attach the greeting to the middle and left side of the card.
15. Add three Secret Sea Moody Palette Glossy Dots to the front of the card.
