Instructions

1. Fold the Basic White Thick cardstock on the score line to form the card base.
2. Use the Paper Trimmer to cut the sheet of Lovely Blossoms Designer Series Paper with card-sized designs down to 5" x 3 3/4".
3. Attach Designer Series Paper to the 5 1/8" x 3 7/8" piece of Old Olive cardstock.
4. Attach the layers to the front of the card.
5. On the Stampin' Cut & Emboss Machine, die cut two leaves from the 2 1/2" x 2" piece of Cloud Cover cardstock using the Lovely Arrangements Dies.

6. Attach the die-cut leaves to the card front as shown in the picture.
7. Stamp the large flower image on the 2 ¼" x 2 ¼" piece of Vellum Cardstock with VersaMark ink.
8. Sprinkled the stamped flower with White Embossing Powder. Tap off any extra powder and funnel it back into a container. Heat Set the powder with the Heat Tool.
9. On the Stampin' Cut & Emboss Machine, cut out the vellum flower with the coordinating die.
10. Attach the die-cut flower to the front of the card between the Cloud Cover leaves with a Stampin' Dimensional in the middle (so it can be hidden).
