Basic White	trees and deer, die cut	8 ½" x 5 ½"

Instructions

1. Fold the Basic White Thick cardstock on the score line to create the card base.
2. On the Stampin' Cut & Emboss Machine, emboss the 5 ¼" x 4" piece of Basic White cardstock with the Birch Wood Embossing Folder
3. Use scissors to distress the edges of the embossed cardstock layer by running the sharp edge of the scissors against each side of the cardstock.
4. Use a Blending Brush to dip it into the Pool Party Ink, then lightly sponge the ink onto the front and centre of the embossed cardstock.
5. Use the Bone Folder and tap it against the barrel of the Light Black Stampin' Blend to create a small splatter on the cardstock.

6. Attach the embossed cardstock to the front of the card base.
7. Stamp the cluster of trees three times onto the 8 ½" x 5 ½" piece of Basic White cardstock with Old Olive ink. For the third impression, do not reink the stamp so that one image is lighter than the other two.
8. On the Stampin' Cut & Emboss Machine, die cut out the three tree clusters using the coordinating die from the Outdoor Adventure Dies.
9. Attach the lightest tree cluster first to the middle of the sponging on the front of the card.
10. Attach the other two tree clusters to the front of the card, overlapping the first cluster
11. Stamp the buck on the leftover piece of Basic White cardstock with Early Espresso ink.
12. On the Stampin' Cut & Emboss Machine, die cut out the buck using the coordinating die from the Outdoor Adventure Dies.
13. Attach the buck in front of the trees with Stampin' Dimensionals.
14. Stamp the greeting onto the Basic Black cardstock with VersaMark ink. Sprinkle the greeting with White Embossing Powder. Shake off excess powder, then recapture it to save it. Heat the greeting with the heat tool.
15. Punch out the greeting with the Three Banner punch.
16. Tie the Linen Thread into a bow.
17. Attach the bow to the back of the greeting with Stamping Dimensionals.
18. Attach the greeting and bow to the front of the card.
19. Add three Pool Party or Lost Lagoon Rainbow Adhesive Backed Dots.
