Instructions

1. Fold the Basic Beige cardstock on the score lines to form the card base.
2. On the Stampin' Cut & Emboss Machine, cut out the frame from the 5 1/2" x 4 1/4" piece of Basic Beige cardstock.
3. On the Stampin' Cut & Emboss Machine, cut out three springs from the leftovers from the 5 1/2" x 4 1/4" piece of Basic Beige cardstock.
4. On the Stampin' Cut & Emboss Machine, cut the large floral image from the 4 3/4" x 3 1/2" piece of Secret Sea cardstock with the Gallery Blooms Dies. Note that this won't cut all the way through the cardstock – it's designed that way!
5. Attach the Secret Sea cardstock to the middle of the card.
6. Attach the frame to the over top of the Secret Sea cardstock using Stampin' Dimensionals.

7. Attach the three die-cut Basic Beige sprigs in among the die-cut leaves on the Secret Sea cardstock.
8. Stamp greeting onto the small strip of Basic Beige cardstock, with Secret Sea ink.
9. Punch out the greeting with the Three Banner Punch.
10. Tie a bow with the Linen Thread.
11. Attach the bow underneath the greeting banner.
12. Attach the greeting banner to the inside bottom of the framed image with Stampin' Dimensionals.
