Instructions

1. Fold the Pecan Pie cardstock on the score line to create the card base.

3. Attach the 5 ½" x 2" piece of Nature Walk Designer Series Paper to the centre of the card front.
4. Stamp the leaves on the scrap piece of Basic White cardstock with Pretty Peacock ink.
5. On the Stampin' Cut & Emboss Machine, cut out the leaves using the coordinating die from Nature's Symphony Dies.
6. Attach the stamped leaves to the card front around the centre.
7. Stamp the greeting on a scrap piece of Basic White cardstock with Pretty Peacock ink.

8. On the Stampin' Cut & Emboss Machine, cut out the greeting using the appropriately sized circle die from the Stylish Shape Dies.
9. On the Stampin' Cut & Emboss Machine, cut out two more circles (each one slightly bigger) from the Designer Series Paper using the Stylish Shape Dies. The largest die (for the DSP with writing on it) will be the 3" size.
10. On the Stampin' Cut & Emboss Machine, cut out the leaves from the Gold Foil Paper using the Nature's Symphony Dies.
11. Attach the largest die to the front and centre and slightly to the right side of the card.
12. Wrap the White and Gold Twine into a figure-eight shape and attach it to the bottom-right corner of the card (just use adhesive in the centre of the figure eight).
13. Attach the medium-sized circle to the front of the card, closer to the bottom right-hand side, with Stampin' Dimensionals.
14. Attach the die-cut gold leaves over the two circles as shown in the picture.
15. Attach the greeting circle centred over the medium circle.
16. Attach three Faux Bronze Pentagons to the greeting circle.
17. Attach the 5 ¼" x 4" piece of Basic White to the inside of the card.
