2. Score your hinge flap strip at 1-¼" and crease well with a Bone Folder.
3. Add adhesive to the smaller end of the scored section on the hinge flap and attach it to the inside on the larger side of your card base.
4. Add the 5-¼" x 4" piece of Basic White to the inside of your card (will cover the smaller end of your hinge flap).
5. Attach the 5-¼" x 2-½" piece of Traditions of Christmas DSP to the outside front left-hand side of the card.
6. Attach the 5-¼" x 1-¾" x piece of Traditions of Christmas DSP to the inside right-hand side of the Basic White layer.
7. Attach the 4" x 1-¼" piece of Traditions of Christmas DSP to the front of the hinge flap.

- 8.** Punch out a Circle Punch from the scrap piece of Real Red cardstock using the 2" Circle Punch.
- 9.** Stamp the greeting on the scrap piece of Basic White cardstock with Real Red ink.
- 10.** Use the 1-7/8" Circle Punch to punch out the sentiment.
- 11.** Adhere the two circles together.
- 12.** Attach the circles to the front and top of the hinge flap with Stampin' Dimensionals.
- 13.** Add the Flower Accents to the front of the card. On this card there is a flower on each of the red flowers (x8) on the left (top) part of the card and one on circle with the greeting.
- 14.** If desired, adhere some more Traditions of Christmas DSP to the envelope flap.
