1. Fold the Secret Sea cardstock in half, on the score line, to form the card base.

3. Wrap a piece of Misty Moonlight & Silver Edged Ribbon across the middle of the Basic White/Designer Series Paper layer, over the top of where the two pieces of DSP meet and attach the ribbon to the back of the cardstock.
4. Adhere the Basic White/DSP layer to the front of the card.
5. On the Stampin' Cut & Emboss Machine, die cut a frame from the 4" x 2 1/4" piece of Secret Sea cardstock using the Peace on Earth dies.
6. On the Stampin' Cut & Emboss Machine, die cut a smaller frame from the 3 3/4" x 2" piece of Cloud Cover cardstock using the Peace on Earth dies.
7. Stamp the "Peace, Love & Joy" greeting onto the Cloud Cover die-cut frame with Secret Sea ink.
8. Attach the two die-cut frames together.
9. Attach the die-cut frames to the middle of the card with Stampin' Dimensionals.
10. On the Stampin' Cut & Emboss Machine, cut out two different doves from the scrap pieces of Basic White cardstock.
11. Attach the two doves around the greeting with Stampin' Dimensionals.

12. Add three white Hues of Blue Flowers Embellishments around the greeting.
13. Attach the narrow strip of Designer Series Paper to the other piece of Basic White cardstock near the bottom.
14. Attach the Basic White cardstock to the inside of the card.
