Cajun Craze	first layer-die cut	5 ⅛" x 3 ¾"
Very Vanilla	acorns and leaves	7" x 3 ½"
Very Vanilla	greeting	3" x 1 ½"
Thread	behind greeting	about 12"

## Instructions

1. Fold the Cajun Craze cardstock on the score line to form the card base.
2. On the Stampin' Cut & Emboss Machine, die-cut the Cajun Craze cardstock with the largest die from the Amber Autumn Dies.
3. Attach the die-cut Cajun Craze cardstock to the front of the card, by adding small dots of Multipurpose Liquid Glue around the edges of the die. You can also add some glue to any larger pieces in the middle of the die-cut.
4. Use the Blending brushes to add a "stripe" across the middle of the large piece of Very Vanilla cardstock. To do this, use a different brush for each colour and fill as much of the cardstock as you can with colour as follows:
  - a. Brush the Pumpkin Pie ink in the centre
  - b. Brush the Pecan Pie ink about the Pumpkin pie ink
  - c. Brush the Crushed Curry ink below the Pumpkin Pie ink

5. Stamp the acorn and leaves image from the **Amber Autumn** stamp set, twice over top of the inked Very Vanilla cardstock with Early Espresso ink.
6. Stamp the dots image from the **Jar of Joy** stamp set over top of the leaves image with Cajun Craze ink.
7. On the Stampin' Cut & Emboss Machine, cut out the stamped acorns and leaves images using the coordinating dies from the **Amber Autumn Dies**.
8. Attach the die-cut leaves and acorns images together at an angle. Having the stems almost on top of one another is a good angle.
9. Attach the die-cut leaves and acorns to the front of the card.
10. Stamp the greeting on the 3" x 1 ½" piece of Very Vanilla cardstock with Early Espresso ink.
11. On the Stampin' Cut & Emboss Machine, cut the greeting using a label die from the **Traditional Labels Dies**.
12. Add strips of Stampin' Seal to the back of the greeting piece.
13. Loop the Linen Thread into a figure-eight shape and attach it to the back of the greeting.
14. Attach the greeting and thread to the front right-hand side of the card, partially over top of the leaves with Stampin' Dimensionals.
15. Trim the ends of the Linen Thread with scissors.
16. Attach three Neutral Matte Dots to the front of the card.
