Instructions

1. The card base is the 5 ½" x 4 ¼" piece of Mossy Meadow cardstock.
2. Attach the Basic Beige cardstock to the card base.
3. Attach the small left side of the scored Floral Charm Designer Series Paper to the left underside of the 5" x 3 ¾" piece of Mossy Meadow cardstock. Essentially this piece will act like a flap on the front of the card.

4. On the Stampin' Cut & Emboss Machine, die-cut two labels from an 8" x 3" piece of Basic Beige card stock using the Label Me Grateful Dies.
5. Stamp the die-cut labels with a greeting for the outside and inside of the card with Tuxedo Black Memento ink.
6. Attach the outside die-cut label to the front middle of the Designer Series Paper flap and use adhesive on only half of the label.
7. Line up the label for the inside of the card with the label on the outside and attach to the Mossy Meadow cardstock so it is hidden when the card is closed.
8. Tie a bow with Linen Thread and attach the bottom right of the outside greeting with a Mini Glue Dots.
9. On the Stampin' Cut & Emboss Machine, cut out two flowers from the scrap piece of the Floral Charm Designer Series using the Paper Label Me Grateful Dies.
10. On the Stampin' Cut & Emboss Machine, cut out two sets of leaves from the scrap pieces of Mossy Meadow cardstock using the Label Me Grateful Dies.
11. Attach the leaves and flowers to the front of the label (top left and bottom right) with Stampin' Dimensionals.
12. Add some Low Profile Dots to the front of the card.
