Instructions

1. Fold the Cajun Craze cardstock on the score line to form the card base.
2. Stamp with the large leaves on the Very Vanilla cardstock in a random pattern with Cajun Craze ink.
3. Stamp the smaller leaves on the Very Vanilla cardstock with Mossy Meadow ink, filling in any "holes".
4. Stamp the outline colour for the large leaves with Cajun Craze ink. Stamp the outline of the smaller leaves with Mossy Meadow ink.
5. Stamp the "fill" section of all the leaves with Timid Tiger ink.
6. Use the Stampin' Spritzer to spritz w light coating of water over the stamped Very Vanilla cardstock. This will not only make the colours run a little (giving a more watercolour look), but it will also make the embossing (in the next step) deeper.
7. On the Stampin' Cut & Emboss Machine, emboss the stamped Very Vanilla cardstock with the Forever Plaid 3D Embossing Folder. Allow to air dry or dry it with the Heat Tool.

8. Attach the stamped and embossed Verry Vanilla cardstock sheet to the front of the card.
9. Stamp the greeting on the smaller piece of Very Vanilla Cardstock with Cajun Craze Ink.
10. Attach to the card front to the lower third of the front of the card with Stampin' Dimensionals.
11. Add some Adhesive-backed Metallic Gems to the front of the card.
