Instructions

1. Fold the Old Olive cardstock on the score line to form the card base.
2. Stack the three Basic White (embossed pieces) on top of each other in the centre (as shown in image). You might need to use a light bit of adhesive on the back to keep the cardstock aligned.
3. On the Stampin' Cut & Emboss Machine, emboss the stack in the Sunflower 3D Embossing Folder.
4. Take each piece and lay flat and run the edge of the Daffodil Delight ink across the top of the embossed pieces.
5. Attach the largest embossed Basic White cardstock (piece 1) to the card front.

6. Attach the middle piece of embossed Basic White cardstock (piece 2) to the 4 ½" x 3 ¼" piece of Basic Black cardstock and then to the front and centre of the card.
7. Attach the smallest piece of Basic White cardstock (piece 3) to the 3 ½" x 2 ¼" piece of Basic Black cardstock and then to the front and centre of the card.
8. On the Stampin' Cut & Emboss Machine, cut out the circle from the Basic Black cardstock using the Stylish Shapes dies.
9. Stamp the greeting onto the die-cut Basic Black circle with VersaMark Ink.
10. Lay the Basic Black paper in the Powder Pal and pour the White embossing powder over the top. Tap off excess powder. If you see any extra flecks of powder, brush them off with the craft brush. Heat emboss the words until they are glossy.
11. Attach the die-cut circle greeting to the lower right-hand side of the front of the card with Stampin' Dimensionals.
12. Add a couple of the Darling Duckling Flat Pearls to the right of the words.
