Basic White	third layer-embossed and stamped	5 ¼" x 3 ½"

Instructions

1. Fold the Basic White cardstock on the score line to form the card base.
2. On the Stampin' Cut & Emboss Machine, die cut the second largest rectangle from Basic White using the Textured Notes Dies.
3. Place the rectangle in the middle of the Basic White. It's easier if you can temporarily keep it in place with tape so it doesn't move.
4. Stamp the branches with Pecan Pie ink and the leaves in Old Olive ink so that the images are on both the rectangle and Basic White layer.
5. Ink the bold flower image in Strawberry Slush and stamp it off once on your scrap paper and then stamp on the branches.
6. Ink up the detail stamp with Strawberry Slush ink and stamp on flowers.
7. Glue the larger Basic White stamped piece to the Basic Black layer and glue both to the card base.

8. Glue the Basic Black layer to the middle of the card front.
9. Pop up the stamped rectangle to the Basic Black using Stampin' Dimensionals.
10. On the Stampin' Cut & Emboss Machine, die cut the second smallest rectangle from Basic White using the Textured Notes Dies.
11. Stamp the greeting on the die-cut Basic White rectangle with Tuxedo Black Memento ink.
12. Attach the greeting to the upper left corner of the stamped piece with Stampin' Dimensionals.
13. Add some of the Strawberry Slush & Pretty in Pink Gems to the front of the card.
